

Subject Area: Music KS4

'Music is a unique form of communication that brings together intellect and enables personal expression, reflection and emotional development. Lessons aim to develop pupils' ability to listen, appreciate and make judgments about music. Music encourages active involvement both individual and communal, developing a sense of group identity and togetherness. Music helps pupils understand themselves and relate to others, forging important links between the home, school and the wider world'.

Technical

Constructive Progress in music requires pupils to develop musically across 3 pillars that interrelate in musicianship.
